COMMUNICATION AND COORDINATION BETWEEN PRIMARY CARE, PUBLIC HEALTH & OTHERS

Dean Sidelinger, Child Health Medical Officer
Health and Human Services Agency, County of San Diego

June 20, 2018
SIGN UP FOR HEALTH ALERTS

WWW.CAHANSANDIEGO.COM
WWW.SDEPI.ORG

619-692-8499 or 858-565-5255 (urgent matters after hours)
PRIORITIZING INFORMATION

MULTIPLE WAYS TO GET INFORMATION

• Alerts and reports are archives on the County website
• Sign-up to receive alerts:
  o CAHAN San Diego
  o Influenza Reports
  o Communicable Disease Report
• Developing a communication cascade through Chapter Infectious Disease Committee
  o Representatives from most major provider groups
  o With alerts requesting an urgent change in practice, will ask members to communicate with colleagues
OTHER RESOURCES

• PROMED
• CIDRAP
• CDC Health Alert Network

Because not all disasters are communicable diseases:

www.readysandiego.org

• Sign up for alerts
• Get the app
