

An Evening with Your Nerdy Best Friend Beth Ziesenis

The American Academy of Pediatrics, CA Chapter 3 presents an evening with Beth Ziesenis.

Meet Your New Nerdy Best Friend...Beth Ziesenis:
Author. Speaker. Nerd.

Although the only real trophy she ever won was for making perfect French fries at McDonald's in high school, Beth Z has been featured on Best Speaker lists by Meetings & Conventions magazine and MeetingsNet.

Since her first Commodore 64 computer, Beth has made a verb out of the word nerd. She helps computer users all over the country filter through thousands of apps, gadgets, widgets and doodads to find the perfect free and bargain technology tools for business and personal use through presentations and her books, including the latest title, *Your Nerdy Best Friend's The Big Book of Apps*, available on Amazon.com.

Join us for an app-solutely useful evening of learning.

This event is not for CME credit.
