ACEs Aware is an initiative to offer Medi-Cal providers training, clinical protocols, and payment for screening children and adults for ACEs. For inquiries, reach out to Tara Milbrand at tmilbrand@aapca3.org.

**WHY YOU SHOULD SCREEN**

- Early detection and early intervention can help prevent or reduce the health risks associate with ACEs
- Better support individual and family health and wellbeing
- Improve efficacy and efficiency of health care
- Reduce long-term health costs
- All Medi-Cal providers who screen Medi-Cal patients can be reimbursed for ACE screenings

**HOW AAP-CA3 SUPPORTS YOUR PRACTICE**

**In-Office and Virtual Trainings**
Personalized trainings can be uniquely tailored for your office on topics such as Trauma-Informed Care, Healthy Outcomes from Positive Experiences (HOPE), Resiliency, Referral Pathway and local resources.

**Committee Meetings**
Quarterly convening of pediatricians across diverse practices to share and learn best practices including EMR integration, workflow, and addressing FAQs.
