

HAVE YOU SEEN YOUR PEDIATRICIAN LATELY?

SEEING YOUR PEDIATRICIAN WHEN YOUR CHILD IS WELL IS JUST AS IMPORTANT AS WHEN YOUR CHILD GETS SICK.

The well-child visit with your pediatrician keeps your child on track for...

Growth & Development

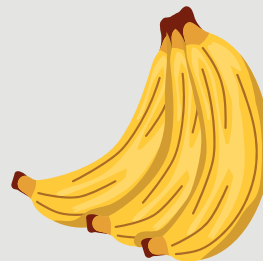

Is your child's development on track?

Mental Health

How are your child's thoughts, feelings, emotions?

Nutrition

Is your child getting all necessary nutrients?

Immunizations

Is your child protected from COVID-19 and other preventable diseases?

...and more!

Contact Your Doctor's Office

When you make an appointment, ask any and all questions about your child's health. Your doctor is happy to answer them and help!
